

Technical drawing of a rectangular plate with two holes. The plate has a total width of 195 and a total height of 60. The two holes are spaced 131 apart, with 32 units from each hole center to the nearest side edge. Each hole has a diameter of 20, indicated by the symbol $\varnothing 20$. The distance from the hole center to the bottom edge is 30. A detail view of a hole is shown on the right, labeled with a circled 15. It shows a hole with a diameter of 14 and a minimum depth of 30.
